FY2026 Annual Report

Northwind Valley Cooperative
(fictional organization, test data)

Prepared for PDF conversion testing - October 2026

Contents

1. Executive summary
2. Income statement
3. Balance sheet
4. Departmental budget detail
5. General ledger extract
6. Notes to the financial statements

What to check in the PDF

1. Cover page fills the whole first page edge to edge, with no header or footer on it.
2. Every other page shows 'Page X of Y' at the bottom and the report title at the top right.
3. Each chapter (green heading with underline) starts on a new page.
4. Long tables repeat their dark green header row at the top of every page they continue on.
5. No table row is split in half across a page break.
6. Totals rows (bold, light green) appear once, at the end of the table (or repeated at each page bottom - note which your tool does).
7. Negative numbers show in red. Background colors and stripes are printed, not dropped.
8. The 8-column ledger fits the page width without being cut off on the right.
9. Table of contents shows dotted leaders and page numbers (advanced: many tools skip this).
